Practicing Sustainable

Soil Type:

Sandy Clay

Fermentation:

Stainless Steel

Dry/Sweet:

Dry

Body:

2/5

Acid:

4/5

Tannin:

1/5

ABOUT THE WINE

Song: "yes, and?" (Ariana Grande)

"In case you haven't noticed
Well, everybody's tired
And healin' from somebody
Or somethin' we don't see just right
Boy, come on, put your lipstick on (no one can tell you nothin')
Come on and walk this way through the fire (don't care what's on their mind)
And if you find yourself in a dark situation
Just turn on your light and be like
"Yes, and?"
Say that sh*t with your chest, and
Be your own f**kin' best friend
Say that sh*t with your chest
Keep movin' like, "What's next?"
"Yes, and?"
Now I'm so done with caring
What you think, no, I won't hide
Underneath your own projections
Or change my most authentic life"

It's Pride month; and while we never want to take away from the celebrations and struggles of our LGBTQA friends and community members, we take this time to honor, remember and hold them up, we think it's the perfect tribute to that spirit to be unapologetically and honestly you. The wine we automatically think of for that had to be this slightly spritzzy, oh so commandingly bold and refreshing on the palate rosé from Bodegas Rezabal. It screams, "I'm me, and you'll love me or so what, but really... you'll love me!"

Queen of Summer: red berries, sea spray, wet rocks, pink lemonade-esque!
