Veneto, Italy

Farming:

Certified Organic

Soil Type:

Various

Fermentation:

Stainless Steel

Dry/Sweet:

Dry

Body:

3/5

Acid:

4/5

Tannin:

2/5

ABOUT THE WINE

Winemaker Matilde Poggi, the winemaker at Le Fraghe has been making wines in Bardolino since 1984. Her connection to the land around her, the grapes, and to her craft is so devout that we find it profoundly moving.

“Even as a young child I remember hearing the conversations about vines and wine, and I can recall those Octobers, when we went right from school to harvesting the grapes. This world, marked by the changing of the seasons, has always fascinated me, and the desire slowly grew in me to become part of it, to contribute to it, to learn how to listen to the vineyard and to the land, to bring forth from them my own wines. I love the countryside all around me, the land that has been my companion every moment of my life: Monte Baldo rising up so majestically to the north, Lake Garda with its uniquely Mediterranean climate, the Valdadige that conveys the cools winds from the north. I love this earth, every square meter of it somehow different, brought here by the glaciers that carved out, in remotest times, the bed of the lake and the valley of the Adige river. Everything that I do in the vineyard is aimed at respecting and preserving those unique and literally incomparable qualities that I find only in my wines”. - Matilde Poggi

Matilde’s wines have been perennial favorites of ours over the last 7 years and we especially love her wines in the Spring, hence the arrival of this bright and juicy red in this month’s selection. Enjoy!

Bright red berries, slightly herbal, juicy with a minerally finish.
