ABOUT THE WINE

This beautiful "Love Letter" is very special to us in the Cincy wine scene. It was crafted by one of our own, Laila Maghathe, who started her wine journey in the natural wine renaissance Cincy has seen over the last few years. From here, she's traveled extensively, harvesting and helping winemakers over many continents. Her commitment to her craft is electric and contagious and we're so excited to share her inaugural vintage with you. "Love Letter" is an ode to her roots as a Palestinian American, who has a strong pull and connection to her homeland in the Levant, which includes Lebanon, from which this love letter hails. This Merlot was clearly crafted with a lot of love and it's insanely delicious. We can't wait to see what she comes up with next and believe us when she does, we'll share it with you!

Tart blackberry and plum notes with a rocky earthy side.
